*The EEA States other than the Member States of the European Union are not currently required to notify their compliance with the EBA’s Guidelines. This table is based on information provided from those EEA States on a voluntary basis.

** Please note that, in the interest of transparency, if a competent authority continues to intend to comply after the application date, it will be considered “non-compliant” unless (A) the Guidelines relate to a type of institution or instruments which do not currently exist in the jurisdiction concerned; or (B) legislative or regulatory proceedings have been initiated to bring any national measures necessary to comply with the Guidelines in force in the jurisdiction concerned.

Notes

Article 16(3) of the EBA’s Regulations requires national competent authorities to inform us whether they comply or intend to comply with each Guideline or recommendation we issue. If a competent authority does not comply or does not intend to comply it must inform us of the reasons. We decide on a case by case basis whether to publish reasons.

The EBA endeavour to ensure the accuracy of this document, however, the information is provided by the competent authorities and, as such, the EBA cannot accept responsibility for its contents or any reliance placed on it.

For further information on the current position of any competent authority, please contact that competent authority. Contact details can be obtained from the EBA’s website www.eba.europa.eu.
