Subject matter	Exception to the scope of the bail-in tool (Article 44(2)(g)(iii))
Question	Is the exception to the scope of the bail-in tool provided for in Article 44(2)(g)(iii) of Directive 2014/59/EU (BRRD) restricted to social security contributions, or does it also extend to deposits and reserves of a social security authority?
Background on the question	Article 44(2)(g)(iii) of the BRRD excludes from the scope of bail-in a liability to "tax and social security authorities, provided that those liabilities are preferred under the applicable law".
Final answer	<p>Pursuant to Article 44(2)(g)(iii) BRRD, liabilities to tax and social security authorities that are preferred under the applicable law are to be excluded from bail-in. The provision in question does not set any further requirements for a liability to fall in scope of the exclusion. Hence, as long as a liability meets those two conditions, irrespective of its nature or type, it may be excluded pursuant to Article 44(2)(g)(iii) BRRD.</p> <p>Disclaimer:</p>
