BANKING STAKEHOLDER GROUP

Constantinos Avgoustou

Constantinos is a seasoned financial executive and consultant with over 9 years of experience in the financial services sector, with the largest part of his career focusing on the EU Capital Requirements regime and risk management operations.

Currently, he is an entrepreneur running a regulatory technology firm helping major financial institutions and international brokerage firms automate their capital and risk monitoring with the aid of cloud and machine learning technologies. He is also an Independent Non-Executive Director in two large Cyprus Investment Firms.

Constantinos is also a co-founder of a biotechnology venture focusing on developing sustainable solutions for a greener future.

He holds a Masters in Metals and Energy Finance from Imperial College London
