**Subject: Notice of the resolution procedure of Sberbank banka, d. d.**

Dear Sir,

Banks under Russian ownership are facing a loss of confidence as a result of the sanctions imposed on Russia for its military aggression against Ukraine. Consequently the European Central Bank and the Single Resolution Board took the decision to launch a resolution action for the Sberbank Europe AG banking group, which also had a subsidiary in Slovenia – Sberbank banka d.d.

The bank has been taken over by Nova Ljubljanska banka d. d., which decided to purchase the Slovenian subsidiary Sberbank banka d. d..

Within the procedure, the Single Resolution Board with its decision adopted resolution scheme in respect of Sberbank banka d. d. and accordingly Banka Slovenije adopted the *Decision to apply the sale of business tool and the exercise of resolution powers* dated 01. 03. 2022, ref. no. 2.07.2-16/2022-12 in order to implement the decision of the Single Resolution Board. The slovenian subsidiary – Sberbank banka d.d. has been sold to Nova Ljubljanska banka d. d.,.

This decision of Banka Slovenije produced its legal effects as of publication on the web site of the agency for the publication of content in resolution or compulsory winding-up proceedings (AJPES).

Banka Slovenije should reiterate that the aforementioned solution maintains financial stability in Slovenia, without burdening other banks or taxpayers.
