16 IT	Dear colleagues, Following the vote I have already expressed in this written procedure, I acknowledge that the rules of procedure for investigation of breach of union law have been observed and that the remarks of the Maltese FIAU have been taken into account in drafting the Recommendation. Having said that, I recommend that in general every effort should be made to ensure that involved authorities have the amplest opportunity to present their cases (in terms e.g. of timeline and in-person meeting with the Panel), within existing procedural constraints.
