Subject: *Comments on CP 34 from the EBF and the SON-banks*

Dear Sir/Madam,

I am pleased to forward you the attached comments on the Consultation Paper entitled “Guidelines for the Operational Functioning of Colleges” (CP34) which the European Banking Federation prepared jointly with the banks which are involved in the Operational Networking Project (SON-banks).

As you will note, the industry welcomes the progress that is being made in this area and appreciates in particular the way in which your institution is following up to the dialogue which it has organised with the SON-banks.

Yours faithfully,

Guido RAVOET
