

EBA planned procurement procedures above EUR 15,000

If you are interested in any of the negotiated procedures included in the list below, please send a message to: tenders@eba.europa.eu putting in the subject the procedure reference and your company's contact details. Your contact details will be registered and you will be notified at the time of launching the procedure. Please do not contact EBA regarding the Open procedures published in the Official Journal of the EU. If you want to receive a notification when they are published you can set up an automatic alert in the TED - Procurement Opportunities and in the Funding and Tenders Portal websites. All procedures launched will be advertised on EBA's procurement webpage around the estimated launch timing.

The list below does not bind EBA to launch the procurement procedures listed as it is only an indicative document. It is a dynamic rolling plan not linked to a specific year. It is EBA's intention to upload an updated file at least every quarter.
