

Training plan 2026 – As of April 2026

Please find the EBA’s training plan for 2026 below. This plan is regularly updated reflect new developments and upcoming activities. Note that the training courses are mainly intended for staff of competent authorities and other public bodies. Unless specifically stated, representatives of the industry (e.g. commercial banks) will not be admitted.

Information on registration and detailed programmes will be shared with training coordinators within the competent authorities ca. 6–8 weeks before each course. Please reach out to your training responsible within your organisation first.
