Join the PRSP Department and Shape the Future of Banking!

Are you ready to make a significant impact in the banking sector? The PRSP Department is at the forefront of implementing the Single Rulebook, setting prudential requirements for banks, and ensuring consistent supervisory practices across authorities.

What We Do:

- Develop the EU single rulebook, in the form a Technical Standards or Guidelines.
- Provide expert advice to the Commission and co-legislators.
- Push for supervisory convergence in the application of the rules across EU and national authorities

Our Units:

Liquidity Leverage Loss Absorbency and Capital Unit (LILLAC)

Your Role:

- Assist in regulatory tasks related to large exposures, liquidity, IRRBB, own funds and accounting.
- Provide expert advice to the Commission and co-legislators.

Risk Based Metrics Unit (RBM)

Your Role:

- Assist in regulatory tasks related to the implementation of Basel III in the area of credit, market, or operational risk.
- Support the EBA's work to implement the newly agreed securitisation framework.

Supervisory Review, Recovery and Resolution Unit (SRRR)

Your Role:

- Assist in preparing activities for supervisory and resolution colleges.
- Support data analysis and monitoring tasks.
- Contribute to regulatory work in supervision, governance, and crisis management framework.

Join us and be part of a dynamic team dedicated to shaping the future of banking regulation and supervision. Apply now and make a difference!

Your Profile:

- University degree in economics, econometrics, finance, or mathematics.
- Knowledge and experience in the tasks mentioned above
- Exposure to multicultural environments through work or study abroad.
- Bonus points if you have any academic work or traineeship experience around banks and their regulatory set up.
