

Yuri Scarra'

Yuri is part of the Governmental Affairs EMEA team at UBS, primarily covering UBS Group's EU entity, UBS Europe SE. In his role, he advises senior management on emerging political and regulatory topics of importance for UBS and manages relationships between senior management and important EU public stakeholders. Moreover, he coordinates and manages UBS's participation in relevant regulatory consultations, working groups and legislative processes. In addition, he manages projects with a special focus on complex regulatory discussions with a direct impact on UBS's strategy and business activities.

Prior to joining UBS, he worked at Bain & Company, advising companies across the full spectrum of financial services, with focus on banks and payments, on strategy and transformation activities, as well as private equity firms and hedge funds on due commercial due diligence and portfolio value creation plans.

Prior to that, he worked at the ECB Banking Supervision, carrying out "off-site" banking supervision activities, focusing on capital adequacy and business model/profitability. Prior to that, he worked at Bank of Italy, executing primary market auctions of government bonds on behalf of the Italian Treasury, and later moved to the "on-site" banking supervision directorate.

Yuri started his career in the investment team of CVC, one of the world's leading private equity firms and holds an MSc degree, summa cum laude, from Bocconi University.
