

Patricia Suárez

Patricia Suárez holds a degree from the UCM (Madrid) in German and English Philology. Since its foundation in July 2009, she is founder and president of ASUFIN, the Spanish Financial Users Association. ASUFIN is member of BEUC (2020) and Finance Watch (2019). Patricia is devoted to the protection of financial users well as the financial education of consumers in Spain and Europe. She is Director of the Board in Finance Watch since 2020. Her areas of expertise are (miss)-selling of financial products and services, financial inclusion, creditworthiness and over indebtedness, big data in financial services, Fintech and sustainable finance.

Among the topics of interest, Patricia Suárez looks forward to discuss:

1. Consumer protection: Enhancing consumer protection.
2. Fintech: Risks and opportunities arising from financial innovation; anti-money laundering, sandbox, disappearance of cash, E-money.
3. Sustainable finance: Incorporating sustainability in prudential requirements, transparency in corporate reporting.
