

Open Tender Corrigendum No. 1

European Banking Authority Tender Procedure: Communication Consultancy and Support
EBA/2013/008/OPS/SER/OP

Date: 21st October 2013

No.	Document Reference	Corrigenda
1.	Tender Specifications	<p><u>Corrigendum 1:</u></p> <p>Please note that the following text in Section 17 of the Tender Specifications (p.28):</p> <p>“Tenderers should submit a detailed budget for each of the 3 case studies above. Prices must be stated in Euro net of VAT and broken down similarly to the model in Annex IV to these Tender Specifications.</p> <p>These 3 detailed budgets will constitute the financial evaluation and will be examined with the purpose of comparing prices, i.e. the examination of the case study financial proposals will form the financial evaluation of the tenders.</p> <p>For each of the 3 budgets submitted, the cheapest (i.e. the lowest total amount for all the case studies) will receive the maximum points available. The remaining prices will receive lower points in proportion to the cheapest price.</p> <p>Financial scores will be calculated according to the following formula:</p> <ul style="list-style-type: none">• Financial score for Tender A = 100*(Lowest price/price offered by Tenderer A)” <p>is replaced by the following:</p> <p>“Tenderers should submit a detailed budget for each of the 3 case studies above. Prices must be stated in Euro net of VAT. Prices must be submitted using the model contained in Annex IV of the</p>

		<p>Tender Specifications. Prices must be presented using the budget lines contained in Annex IV of the Tender Specifications.</p> <p>Case study prices must be based on the fees, charges and unit rates provided by the tenderer in Annex IV.</p> <p>The 3 case study budgets constitute the financial evaluation and will be examined with the purpose of comparing prices i.e. the examination of the case study financial proposals will form the financial evaluation of the tenders.</p> <p>For each of the 3 case studies the cheapest price will receive the maximum points available. The remaining prices will receive lower points in proportion to the cheapest price.</p> <p>Financial scores will be calculated according to the following formula:</p> <ul style="list-style-type: none"> • Financial score for Tender A = 100*(Lowest price/price offered by Tenderer A)''
2.	Tender Specifications Annex IV: Price List	Please note that the attached Revised Annex IV Price List replaces Annex IV Price List contained in the Tender Specifications.
