During the secondment at the EBA, in line with the provisions of Article 17 of the EBA’s Decision on SNEs (EBA DC 304) and with the amounts established by the European Commission each year, an SNE could be entitled to:

Subsistence allowances:

- a **daily** subsistence allowance of **€ 147.05**, payable for every day of the week, and
- a **monthly** subsistence allowance, payable on the basis of the distance (calculated by orthodromic distance, as crow flies) between the place of origin and the place of secondment:

Distance between the place of origin and the place of secondment (Paris) in km	Amount in €
0-150	0€
>150	94.52 €
>300	168.03 €
>500	273.08 €
>800	441.12 €
>1300	693.20 €
>2000	829.75 €

These subsistence allowances are granted under the same conditions as the expatriation allowance for Temporary and Contract agents and are multiplied by the correction coefficient for France (currently **119.9%**). They are intended to cover an SNE’s living expenses at the place of secondment on a flat-rate basis and shall not be construed as remuneration paid by the EBA.

Example of calculation for an SNE recruited from Frankfurt for a calendar month of 30 days:

Type of allowance	Total days	Amount in EUR, including Correction coefficient C (119.9%)	Total
Daily allowance	30	147.05 € x 30 x 119.9%	5,289.39 €
Monthly allowance (distance Paris – Frankfurt = 478 km)	each month	168.03 € x 119.9%	201.48 €
Total			5,490.87 €

Travel costs compensation (subject to conditions): A flat-rate amount for travel expenses for the SNE, between the place of origin and the place of secondment at the beginning and end of the secondment, in accordance with the relevant rules in force at the EBA, could be granted.
