Joint Guidelines on cooperation and information exchange for the purpose of Directive (EU) 2015/849 between competent authorities supervising credit and financial institutions (The AML/CFT Colleges Guidelines)

The following competent authorities* comply or intend to comply with the EBA's Guidelines on Joint Guidelines on cooperation and information exchange for the purpose of Directive (EU) 2015/849 between competent authorities supervising credit and financial institutions (The AML/CFT Colleges Guidelines):

		Competent authority	Complies or intends to comply	Comments
Member State				
BE	Belgium	National Bank of Belgium	Complies	As of notification date, i.e. 25 May 2020. The National Bank of Belgium (NBB) would like to note that a first exercise of the mapping of the financial institutions supervised by the NBB in its capacity as AML supervisor has already been achieved. It will be necessary to update this mapping on a regular basis, to take future changes in the structure, the organization or the activities of these institutions, possibly affecting also their AML risk score, into account.

		Competent authority	Complies or intends to comply	Comments
				On the basis of this first mapping exercise, the NBB will organize the AML colleges for which NBB will be the lead supervisor within the transitional period of 2 years put forward in the Guidelines, beginning with the institutions having the highest AML risk score. The necessary first steps for setting up these AML Colleges will be taken in the coming weeks and months, in accordance with the risk based approach to be followed.
BG	Bulgaria	Bulgarian National Bank	Complies	As of date of notification, i.e. 25 May 2020. Compliance with the GIs by the Bulgarian National Bank (BNB) relates to the obliged entities, in the meaning of EU Directive 2015/849, over which the BNB exercises AML/CFT control, namely credit institutions payment service providers and electronic money institutions.
		Financial Supervision Commission	Complies	As of notification date, 12 April 2022.
CZ	Czech Republic	Czech National Bank	Intends to comply**	As of 16 December 2021. In order to comply with these Guidelines, the Czech National Bank (CNB) would perform mapping of all relevant firms, cross-border and EU establishments specified in their point 1.1. The mapping will be reviewed and updated on the regular as well as ad hoc basis. The CNB in its position as lead supervisor will further establish and maintain AML/CFT colleges in all cases, when the conditions of Guideline 2 are met. In compliance with Guideline 16 (Transitional period), the CNB will make every effort to establish all AML/CFT colleges within 2 years of the date of application of these Guidelines (the establishment of colleges for those firms assessed as high risk for ML/TF purposes in line with the Risk-Based Supervision Guidelines will have a high priority).

		Competent authority	Complies or intends to comply	Comments
				<p>If invited as a permanent member, observer or invited participant, the CNB would also actively participate in all AML/CFT colleges established and maintained by another lead supervisor.</p> <p>Where an AML/CFT college has not been established, the CNB will make every effort to enter into a bilateral relationship according to Guideline 14.</p>
DK	Denmark	Danish Financial Supervisory Authority	Complies	<p>As of notification date, 01.03.2021.</p> <p>In accordance with the Guidelines 2019/81, which require that during the two-years transition period:</p> <ul style="list-style-type: none"> - competent authorities identify all firms operating on a cross-border basis that have been authorized in their Member State and all branches or subsidiaries set up by these firms in other jurisdictions - AML/CTF Colleges be established when: <ul style="list-style-type: none"> o competent authorities from three or more member states are involved in the AML/CFT supervision of the same firm, where that firm is operating on a cross-border basis o a third-country undertaking has set up EU establishments in at least three Member States; branches of an EU subsidiary of a third-country undertaking set up in a Member State different from the Member State where the EU subsidiary has been established count as separate establishments - AML/CTF colleges for firms assessed as high risk for ML/TF

MT	Malta	Central Bank of Malta	Intends to comply**	<p>By 19 January 2022.</p> <p>Please note that in terms of Art 27(1) of the Prevention of Money Laundering Act ("PMLA"), the Financial Intelligence Analysis Unit ("FIAU") is empowered to cooperate and exchange information with its counterpart AML/CFT supervisory authorities as well as with other supervisory or regulatory authorities that are responsible to oversee that obliged entities comply with other obligations that are not AML/CFT related. Any information exchanged, which can be provided either spontaneously or upon demand, would be subject to a number of conditions as set out in the proviso to Art 27(1). In addition, Art 13(3) empowers the FIAU to cooperate and coordinate with its relative counterparts the imposition of administrative measures on obliged entities that operate on a cross-border basis.</p> <p>The generality of these provisions allow the FIAU to choose which channels to use to cooperate and exchange information with other authorities. This would include any AML/CFT colleges established in terms of the present Guidelines and allows the FIAU to take any action in terms of Guideline 12 and 13. Moreover, the lack of any qualification as to whether the authorities with which the FIAU may exchange information are to be Member State or third country authorities allows the FIAU to exchange information with any of the authorities that may be Permanent Members, Observers or Invited Participants in terms of Guideline 5. The provisions of the PMLA quoted hereabove also mean that the FIAU faces no obstacle to sharing information for the</p>

				the European Supervisory Authorities. The FMA may deviate from the guidelines and recommendations of the European Supervisory Authorities when justified grounds exist to do so, in particular in the event of a conflict with provisions set out under national law.”
PL	Poland	Komisja Nadzoru Finansowego	Intends to comply**	When necessary legislative or regulatory proceedings have been completed. There are some restrictions on the legal framework enabling mutual exchange of information between the KNF and competent financial market supervision authorities from Member States and with relevant financial intelligence units from EU Member States to the extent necessary to achieving objectives set out in the Act of 1 March 2018 on counteracting money laundering and financing of terrorism as an implementation of Directive 2015/849 (AMLD4). Currently, work is underway in Poland on the AMLD5 implementation project, as well as the introduction of provisions enabling the abovementioned information exchange process.
PT	Portugal	Banco de Portugal	Intends to comply**	By 31 December 2021. Banco de Portugal has already started the mapping exercise in accordance with Guideline 1. By the end of 2021, Banco de Portugal intends to have the AML / CFT Colleges created and operating for all firms and establishments that meet the criteria set out in Guideline 2 and for which it is the main supervisor. Nevertheless, Banco de Portugal will keep EBA informed of all relevant progress and updates during the transition period.
